5. Regarding #4 Enhanced Property Search and affiliated packages (#9, #10 and #11): Up to three (3) current real property holdings will be confirmed within the pricing set forth on the #4 Enhanced Property Search. If a large number of potential real property holdings are discovered in research phase of search, client will be contacted with an estimate of the hours that may be necessary to complete the property research. Client may opt to stop search at (3) current real properties or approve additional hours to research any or all additional properties beyond the first confirmed (3) current real properties. JCS will charge \$75.00 per hour for any approved and required additional hours, but will only charge for additional hours actually required if able to complete the search more quickly than anticipated.
6. Cancellation Policy: If the client calls to cancel search after payment has been rendered and/or search process has begun; or if it is determined in pre-search discovery that the search subject has filed for bankruptcy or is deceased and the client opts to cancel the search, a \$50.00 Research Fee per search and/or subject requested will be assessed. No cancellation of services can be made by client once our office has communicated any portion of package results to client.
